SPOTLIGHT ON SUPPORTING ORGANIZATIONS

The VFW is a nonprofit organization that provides support to Veterans, military members, and their families. The VFW mission is to serve Veterans, advocate for Veterans, foster camaraderie, promote patriotism, and support communities.

The American Legion fiercely advocates for the unique needs of every generation of veterans, service members, and their families who pledge to protect our nation. Today, they are committed to destigmatizing mental health support, offering peer-to-peer resources, and empowering everyone to Be The One in the fight to prevent veteran suicide.

Vietnam Veterans Incorporated To foster, encourage and promote comradeship and "Esprit de Corp" among Vietnam Veterans. To assist disabled and needy Vietnam Veterans and the dependents of Vietnam Veterans. And to promote the physical and cultural improvement and growth, development, self-respect, and self-confidence of Vietnam Veterans.

Active, reserve, retired, and veteran Marines continue the faithful tradition of looking out for the Marines to their left and right. Providing mentorship, career counseling, Veteran Service Officer VA support, assisting with transitions, and providing opportunities for family. Founded by MajGen John Lejeune in 1923; for over 100 years we continue to stand proud as a veteran's service organization.

Vision: Unite the Veteran community and drive a healthy culture within its members. Through creative engagements, events, and strong veteran-based support networks, we are the catalyst for improving the Veteran outlook.
